

A National Highways notification

A483 Pant lighting upgrades

We'll be upgrading the current lighting to LEDs on the A483 in Pant. The new LED lighting will be more energy efficient and require less maintenance in the future.

We'll also be replacing the cabling which will make any future maintenance of the lighting quicker and easier.

We'll work from **31 July 2023** to **15 September 2023, Monday to Friday**. To reduce the impact on the surrounding area, we'll work during the day, between **8am** and **4pm**.

We may also be required to carry out some road marking renewals on the A483 between Chapel Lane and Parsons Lane. This work is likely to take place overnight for three nights towards the end of August. We will issue further updates on this work in due course through our A483 mailing list.

If you'd like to receive updates regarding maintenance work on the A483, please subscribe to our mailing list by emailing noreplyA483WMids@nationalhighways.co.uk.

Our ref: A483 Pant lighting upgrades

Traffic management

To maintain safety and reduce disruption during our lighting work, we'll install temporary traffic lights on the A483. These will move along the road as our work progresses. If you'd like further information on where we'll be working through each phase of our work, please visit our webpage at <https://nationalhighways.co.uk/our-roads/west-midlands>.

We may also be required to install some full overnight closures on the A483, between 7:30pm and 4am. However, these closures will be kept to a minimum. If these closures are required, we will issue updates via our webpage and A483 mailing list.

Access to frontages and emergency services will be maintained throughout.

During our programme of work, we'll make every effort to ensure the impact on the local community and travelling public is kept to a minimum. We always aim to work to programme, however unforeseen circumstances or adverse weather conditions may mean changes.

Further information

If you would like further information about this work, please contact National Highways Customer Contact Centre on 0300 123 5000 open 24/7, or email: info@nationalhighways.co.uk
